Tuesday 28th June 2016

Dear Parent/Carer

STRIKE ACTION - Tuesday 5th July

The National Union of Teachers (NUT) have indicated their intention to strike on Tuesday 5th July.

The decision to close the school or to close classes is never taken lightly, but in this instance, where staff have elected to take lawful industrial action, I will have no choice but to take appropriate steps to ensure the health, safety and the well-being of all pupils.

We are aware that class/school closures inconvenience parents and carers so I am writing to give you advance notice of the likely impact of the action on this school.

If the strike action goes ahead, all classes will be closed on that day. If the action is cancelled we will send out a text by 4.30pm on Monday 4th July.

Thank you for your patience and understanding.

Yours sincerely

Linda Goodall
Head Teacher
